

HOW TO ARRIVE IN MYRRINOUDA (If you get lost, call 22990-40314 or 22990-40316 or 22990-40315)

Myrrinouda is between the town of **Markopoulo** (which is only 10 minutes south of the airport) and the seacoast resort town of **Porto Rafti** (20 minutes from the airport). You can easily arrive by taking the **Attiki Odo** (main highway that passes by the airport) south from anywhere in Greece.

You pass the airport and continue towards Markopoulo. After getting off the highway you continue for about two kilometers and turn left at the lights towards Markopoulo. You continue straight on that road until you come to the town «roundabout» called the «plateia». When you arrive at the roundabout, you drive around it around 210 degrees and then turn right just after a pharmacy onto a street called **Papakonstantinou** (Παπακωνσταντινίου).

After 100 meters you will come to an intersection. There you have **two possibilities**.

1. One option is to turn left towards the coastal town of Porto Rafti. After about 4 kilometers at the bottom of a long downhill, you turn right at a sign for the New Horse Race Course for Athens «Προς το Νέο Ιππόδρομο Αθηνών» This is point «A» on your map. Drive until the end of the road to point «B» and turn left. After around 300 meters you will find a large sign that says **MITSUBISHI**. Turn right on the street just after that called **Digeni** (ΔΙΓΕΝΗ). Point «E».

2. Another option from the intersection above is to drive straight following the road, passing the Kentro Ygeias (E.S.Y.) (Health Clinic) on your right. Continue for about 4 kilometers through grape vineyards, passing the Horse Race and Equestrian facilities – until you arrive at that large sign **MITSUBISHI**. You turn right on the street just after that called **Digeni** (ΔΙΓΕΝΗ). Point «E».

Now that you are on Digeni street (by either route), you follow the winding road. After passing a cluster of homes you will pass through grape vineyards and pistachio and fig groves. After about 1.5 kilometers you will see a large building on your left. This is the building «Agapi». Some of you may be staying there, but the main offices are the building «Armonia». So continue straight until you come to an intersection where there is a sign with the letters A.Z. and turn left. Follow that road for about 300 meters until you see on your right side a large **Bamboo fence**. Continue on until you find an opening in that fence and turn right and then immediately left following the dirt road up into our parking area. Park and approach the building. The first room is the office. If there is no one there, beep your horn.
